

Banner Products

Banners

Bring that professional look with you wherever you go with our Banner Systems. Nimlok's banner displays offer fast and easy solutions for instant promotional and point-of-purchase displays. You can roll them up and take them along for that next trade show or client presentation.

Complete range of accessories such as cube and angle rack literature holders. Add an optional light for an even more dramatic look.

Available in 3 color options.

Removable graphic cassette.

Future Banner

Stylish single-sided cassette banner offering a fast and easy solution for point-of-purchase applications. Top-loading spring-action door makes changing the graphics incredibly simple with the removable cassette.

Anodized aluminum exterior adds a modern edge that is light weight and portable. Non-skid PVC bumpers ensure a stable base in any application. Internal graphic pole storage is extremely convenient.

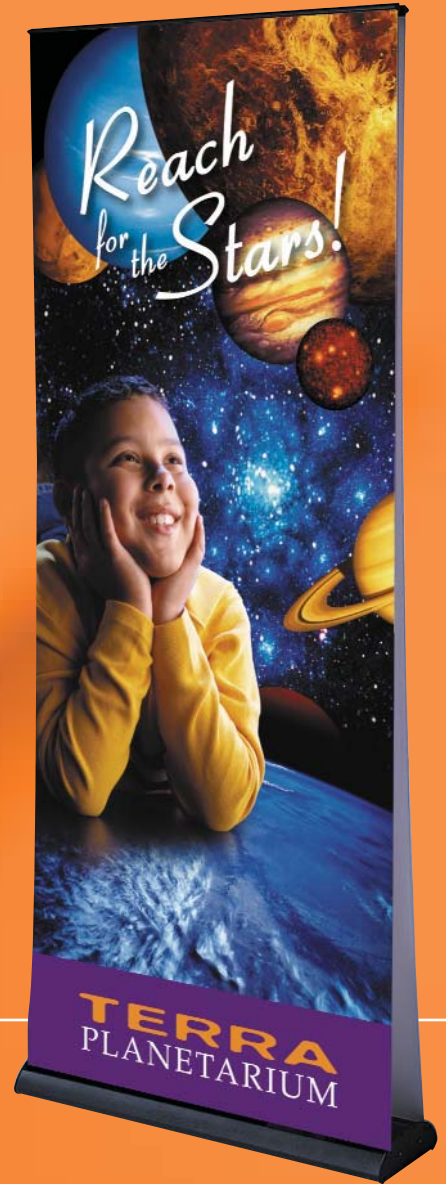

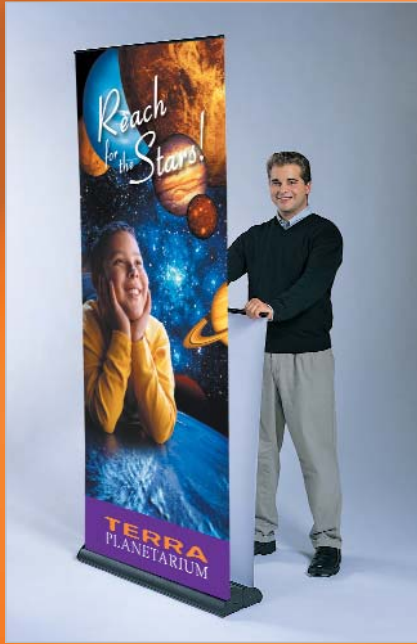

The main case holds the entire Future Banner system.

The accessory bag clips to the main case and can hold an extra cassette and optional light.

RollUp/Rollup2

This single- or double-sided banner system utilizes two independent rollers, one for each graphic, allowing the graphics to retract safely into the unit when not in use. You can use it as a single-sided or double-sided banner depending on the application.

SignUp

This single-sided banner system is free-standing, sturdy, and ultra-lightweight, making it ideal for instant presentations. Complete with graphic, it fits into its own carry bag.
